

Directions for Global Methodist Church and Allegheny West Annual Conference Connectional Giving

To figure out the amount for your church's amount of Connectional Giving for the last half of 2023. Complete the form attached titled "Connectional Giving Income Calculation Chart". The number at the bottom will give you the number to be used to figure the church's base revenue amount to be used for figuring the connectional giving amounts. For this year, 2023, divide the number in half for this year's amount. Also, for this year, 2023, the apportionment amount being paid to the United Methodist Church as part of your exit can be added onto the Benevolence line—this does not include your portion of the unfunded pension liability.

Example: A church's base revenue amount is \$105,000

For 2023 - \$105,000 divide by 2 = \$52,500

\$52,500 times 1% = \$525.00 is the amount for the Global Methodist Church for 2023

\$52,500 times 3% = \$1,575.00 is the amount for the Allegheny West Annual Conference (AWAC) for 2023.

However, if the church pays the entire amount to AWAC within 60 days of becoming an official member, the church is eligible for a special discount of 5% from the total amount for AWAC.

\$1,575.00 -5% Discount = \$1,496.25 would be the amount for AWAC for 2023 paid within 60 days.
