

GLOBAL
METHODIST CHURCH
Northeast Annual Conference

Greetings in the name of Jesus!

As Methodists, we are blessed to be a connection of churches and people who are worshiping passionately, loving extravagantly, and witnessing boldly so that scriptural holiness is spread throughout the land, and right where we are! I'm excited for us to enter into a season of meeting together in Charge Conferences so that we can celebrate all that God is doing in our local churches, districts, conference, and the across the globe. The time spent in convening together is not a task that needs to be completed so that the Conference can read lots of reports. There are some parts of the reporting that are important for the future, like worship attendance which will help us plan for episcopal leadership needs. The information in the following set of reports is for you, as a church, to identify the places where ministry is having a Kingdom impact, and then finding Spirit-led ways to keep growing in discipleship, mission, and outreach to the world!

As you spend time together this fall, I will be praying for you, your pastor and leaders, your presiding elder, and all who come to hear of the good things God is doing. If I can help, please don't hesitate to reach out and ask.

May God bless this season in the Global Methodist Church, and in your church as you strive to live the Methodist way and love each other deeply.

Blessings,
Steve Taylor
Northeast Conference President Pro Tempore

METHODIST CHURCH
 Northeast Annual Conference

Charge: _____

Date: _____

The mission of the Global Methodist Church is to make disciples of Jesus Christ who worship passionately, love extravagantly and witness boldly. Anchored in our belief in Jesus Christ, the Northeast Provisional Annual Conference will come alongside local congregations to equip and strengthen our combined witness. To this end you will find a streamlined Charge Conference Report form requesting the minimal information required at charge conference.

Within the pastoral charge the basic unit in the connectional system in the Global Methodist Church is the Charge Conference. The Charge Conference shall therefore be organized by the church(es) in every pastoral charge and shall meet at least annually.

The Charge Conference shall be the connecting link between the local church, the Annual Conference, and the General Church, and shall have general oversight of the church council's overall ministry of the local church.

¶338-339 (TBoDD)

Below you will find the forms, information, and material you will need for your congregation's annual Charge Conference. We request that all Charge Conferences be completed no later than **November 30th, 2024**. Your Presiding Elder will be in contact with you regarding scheduling the Charge Conference and assigning an Elder to preside. Please complete and submit the Charge Conference packet within one week of your called Church Conference. Your packet should be submitted to the Elder presiding over your Charge Conference.

Questions about or assistance on completing these forms and reports can be directed to your Presiding Elder or our Annual Conference Secretary, Matthew Sichel secretary@northeastgmc.org

Note: The business of the Charge Conference shall be prepared by the local church council (or equivalent group). Notice of time and place of a regular or special session of the charge conference shall be given at least ten days in advance by three or more of the following: from the pulpit of the church, in its weekly bulletin, in a local church publication, by email, or by mail.

The Presiding Elder shall fix the time and place of the meetings of the charge conference and shall preside at the meetings of the charge conference or may designate an elder to preside. The Elder presiding over the charge conference shall not be the appointed clergy of that charge.

Where "church council" appears an equivalent body of leadership is intended as well, if applicable.

2024 Charge/Church Conference
Election of Church Leaders

¶337 states the basic organizational plan for the local church may be designed by each congregation in such a manner that it provides for a comprehensive program of nurture, outreach, and witness to all. In addition to a charge conference, a congregation must have a church council or similar governing board.

Members of the church's governing board or council shall be persons of genuine Christian character who love the church, are morally disciplined, are committed to the mandate of inclusiveness in the life of the church, are loyal to the ethical standards of the Global Methodist Church and are competent to administer its affairs. It should include confirmed youth and young adult members chosen according to the same standards as adults. All persons with vote must be members of the local church.

If you have questions about developing an organizational plan, please contact your presiding elder.
